Dear Prof. Hofer:

It is my great pleasure and honor to inform you of your selection to receive the 2022 Microwave Career Award of the IEEE Microwave Theory and Techniques Society (MTT-S). This award recognizes an individual for a career of meritorious achievement and outstanding technical contribution in the field of microwave theory and techniques.

Your citation reads:

“For a Career of Leadership, Meritorious Achievement, Creativity and Outstanding Contributions in the Field of Microwave Theory and Techniques.”

The award will be conferred at the annual Society Awards Banquet to be held during the International Microwave Symposium the week of 19 - 24 June 2022 in Denver, Colorado.

Please accept my warmest congratulations on being named to receive this well-deserved award.

Sincerely,

W. Gregory Lyons, 2021 President
IEEE Microwave Theory and Techniques Society
